Hi there,

I've written up a few notes to endorse Makenzie Hoover (UID 112188610), who I believe is one of our strongest reinstatement applicants. Please let me know if you need any other information in regards to Makenzie's progress.

Makenzie Hoover (UID 112188610) has improved by leaps and bounds in her efforts to transition to good academic standing. She was only able to repeat one course from her first semester at UMD this past fall due to course availability and offerings, but she remained undaunted and sought advising from ARHU and ARTH about courses she could take to move forward in her major and with other university requirements.

Makenzie Hoover (Reinstatement Endorsement)

Makenzie scheduled multiple advising appointments with her ARHU advisor, and she completed her AIP contract weeks before the start of the Fall 2012 semester. Additionally, Makenzie completed the recommendations outlined in her AIP Contract, including all of the following:

- * Meeting with her ARTH advisor at least once during the semester
- * Meeting with an ARHU advisor at least twice during the semester
- * Meeting with all of her instructors and/or TAs at least once during the semester
- * Meeting with an LAS counselor to work on time management and study skill
 - o Makenzie met with an LAS counselor three times during the fall semester

Moreover, with repeating ARTH 290, Makenzie needed to earn at least a 3.0(B) in her remaining coursework if she earned a 3.0 in ARTH 290. Unfortunately, Makenzie earned a 2.7(B-) in ARTH 290, and thus missed transitioning to good academic standing by 0.9 quality points.

Makenzie has taken the steps necessary to improve this fall semester, raising her semester GPA from 0.5 in her first semester to a 2.925 in her second semester at UMD. She is committed to taking the additional steps necessary to continue to make progress both within her major and in all of her studies at UMD.

Thank you!

Tee
